V.I.P. PROGRAM

DISCOUNTS

Most popular brands of automobile and light truck tires, along with DieHard batteries, are available to you at lower than normal pricing. These brands include BFGoodrich, Bridgestone, Falken, Firestone, Goodride, Michelin, Multi-Mile, Nitto, Nokian and Yokohama.

PRICING

Special pricing arrangements are available once you are identified as a member of the V.I.P. group. By showing your V.I.P. card our team members can easily identify your special price.

SERVICE

When special promotions are advertised, you will be given the lower of the advertised price or the V.I.P. price. As a V.I.P. member you are assured of the best value all year long rather than only for special sale dates.

MECHANICAL

Most Kal Tire stores offer brake, suspension, shock, strut, alignment services and maintenance programs. This is also offered at a V.I.P. price.

WARRANTY

Most importantly, you will receive our Customer Care Plan which includes road hazard protection on all personal use passenger, and light truck tire purchases even though you are paying a reduced price. Kal Tire's road hazard warranty is the best in the business and it's included with purchase.

That means...

- **FREE** flat repairs for the life of the tire
- **FREE** replacement if the tire is damaged beyond repair within 30 days, and pro-rated replacement if unserviceable for the life of the tread
- Tread life **GUARANTEE** on selected tires
- **LIFETIME** balancing on original assembly
- **FREE** tire rotation
- **FREE** installation

Similar extensive warranties are given on batteries and mechanical service.

PLUS...

- CREDIT**
for resalable used tires
- FREE**
True Service mechanical inspections
- 30 DAY**
no hassle guarantee
