

**3.03(A) MEMBERSHIP FEES IN ARREARS**

Issue/Background:

In 2015, the fiscal year of the College changed in anticipation of a merger with CAPF. Several bylaws are dependent on the fiscal year including the effects on membership payment and arrear accounts. Membership Fees in Arrears, Council has agreed that this article must be changed to reflect the fiscal year change and its influence on unpaid accounts. The new fiscal year begins July 1<sup>st</sup> as compared to the previous start of January 1<sup>st</sup>; therefore, arrear accounts must be paid by July 1<sup>st</sup>.
